PROJECTS

RG Recovery Service

FEBRUARY 2025

- RG Recovery Service provides comprehensive automotive recovery and towing solutions, focusing on prompt, reliable, and professional service tailored to diverse client needs. We understand the stress associated with vehicle emergencies and aim to alleviate it through efficient and supportive assistance.
-

Ecommerce (Watch store)

FEBRUARY 2025

- Designed and developed a sleek and responsive Watch Website that showcases various watch collections. The website features smooth navigation, a modern UI, and a user-friendly layout to enhance the browsing experience. This project strengthened my front-end development skills and UI/UX design approach.
